

Calling for Expressions of Interest from people interested in becoming our LIGHT TO LIGHT CAMPS / KIAH WILDERNESS TOURS ASSISTANT or ASSISTANTS

[Kiah Wilderness Tours](#) and [Light to Light Camps](#) are owned and operated by Jenny and Arthur Robb from their residence at Kiah. Both are small boutique tourism businesses experiencing rapid growth. We need help to continue the upward trend. We are looking initially for someone (or a couple) who would be interested in some flexible hours in both businesses. **NB:** The work on Light to Light Camps would include staying overnight in National Parks campsites with our guests. Good quality and comfortable camp gear provided by us.

We can't promise any more than casual work at this stage, but with the right people in our team, we are confident this will grow to permanent part-time and/or full-time work. If you're interested, or you know someone who might be, our contact details are below:
